Dear Sir :

Greetings from the DA-RFO 8!

This has something to do with the submission of articles relative to SAAD Adventures as agreed during our meeting last April, 2020.

In connection therewith, the SAAD Region 8 RPSO submitted articles for NPMO's review, comments, corrections, etc., as the case may be on June 1, 2020. However, the expected action by NPMO only came last June 22, 2020, a Monday. This gives us very small time to accomplish the things requested of in the comments issued by NPMO. To be candid about this, we will not be able to comply with said needed actions considering the time element to accomplish such, not to mention the present situation that we are in, re : pandemic.

In benign consideration of the premises given above, may we be allowed to request for an extension of time to complete and submit the required articles on or before July 20, 2020.

We look forward to your much sought for consideration and approval of our request.

Thank you.

Very truly yours,

LARRY D. SULTAN, JD.
RTD for Operations and Regional SAAD Focal Person
