MEMORANDUM

FOR : ALL CONCERNED DA AND BFAR OPERATING UNITS

ATTN : DA SAAD FOCALS

FROM : DIRECTOR, SAAD NPMO

SUBJECT : POSTPONEMENT OF THE DA SAAD FY 2023 Q1 PHYSICAL AND FINANCIAL ASSESSMENT DUE TO SUPER TYPHOON BETTY

In line with the incoming Super Typhoon Betty internationally known as Super Typhoon Mawar, the SAAD NPMO is postponing the scheduled assessment in Baguio City on May 29 to June 2, 2023.

This is in anticipation of the possible effects of the said super typhoon to the Northern Luzon that may affect the transportation of participants including the consideration of immediate actions needed by the concerned Luzon DA Regional Offices prior, during and after the effects of the super typhoon in their respective areas.

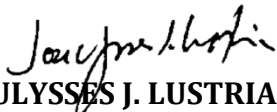

The postponement was decided today due to the updates provided by DOST PAGASA on the effects of the super typhoon even with the adjustment on its projected course.

In addition, this memorandum shall be used as justification for cancellation and reimbursement due to prior scheduled flights/travel.

Lastly, the NPMO shall provide the rescheduled date in the coming days.

For queries, please coordinate with your NPMO – OPBME Focals.

Thank you.
